Tritones Receives More Awards!!

2011 has been an exciting year for Tritones, having received a Maestro Conductor's Circle award (top 1% of Kindermusik businesses worldwide)!

'Mr Geoff' is one of only four in Australia to receive this award in 2011 (2 in Qld & 1 in NSW)!

Already being one of the top 5% since 2009, we were thrilled to receive the Maestro Conductor's Circle award.

We are passionate and love what we do, as we know that the Kindermusik programs we teach, do give the children such a fantastic start to learning and life!
